

Mission:

To deliver a premier education to each student.

Vision:

We promise to inspire, engage, empower and graduate all students as well-rounded, community-minded, global thinkers, leaders and innovators.

Core beliefs:

- Students are our first priority, and we always make decisions in their best interest.
- Every student can learn and achieve success.
- We act with integrity, value diversity and preserve the dignity of each person.
- We promote and support innovation.
- A positive, risk-free and safe environment is essential for learning.
- We are a community of leaders who exemplify strong character.
- We value collaboration, community partnerships and shared decision-making.
- We always pursue excellence.

**Inspire &
Educate**

Foster challenging and innovative learning opportunities

- Provide rigorous, aligned curriculum and enrichment opportunities for all students.
- Integrate technology to enrich instruction and learning.
- Implement data-informed instruction.
- Reinforce collaboration among all members of our professional learning community (PLC).

**Empower &
Support**

Provide necessary resources for all students

- Strengthen Response to Intervention (RTI).
- Implement Early Kindergarten to grade 2 interventions to ensure all students have the necessary math and literacy skills.
- Promote the social and emotional wellness of all students.
- Implement a comprehensive strategy to increase graduation rates.

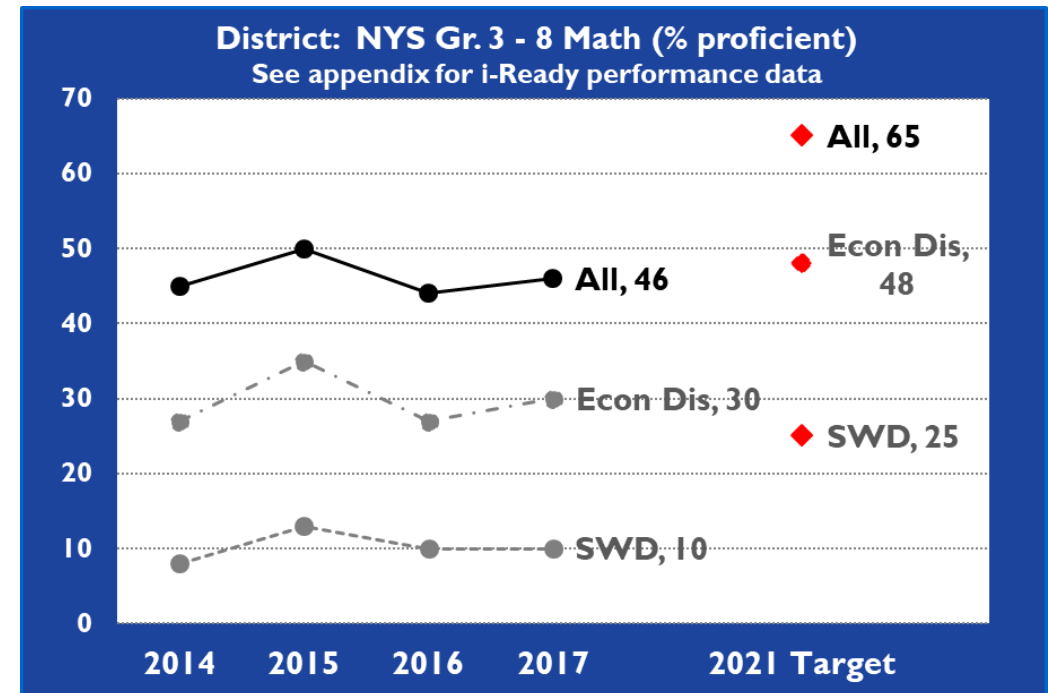

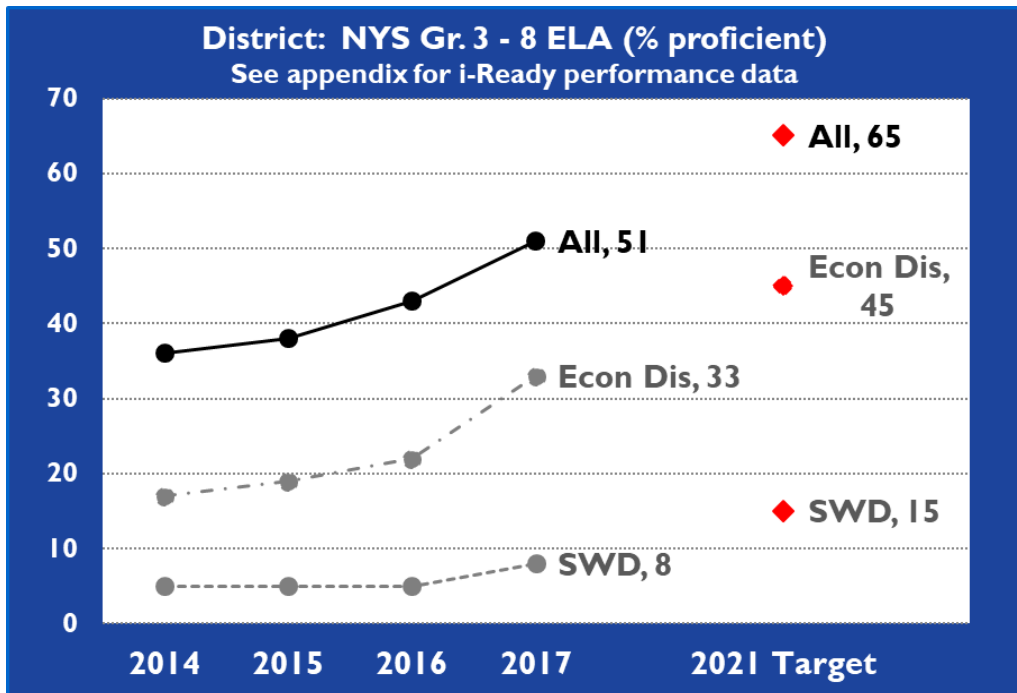

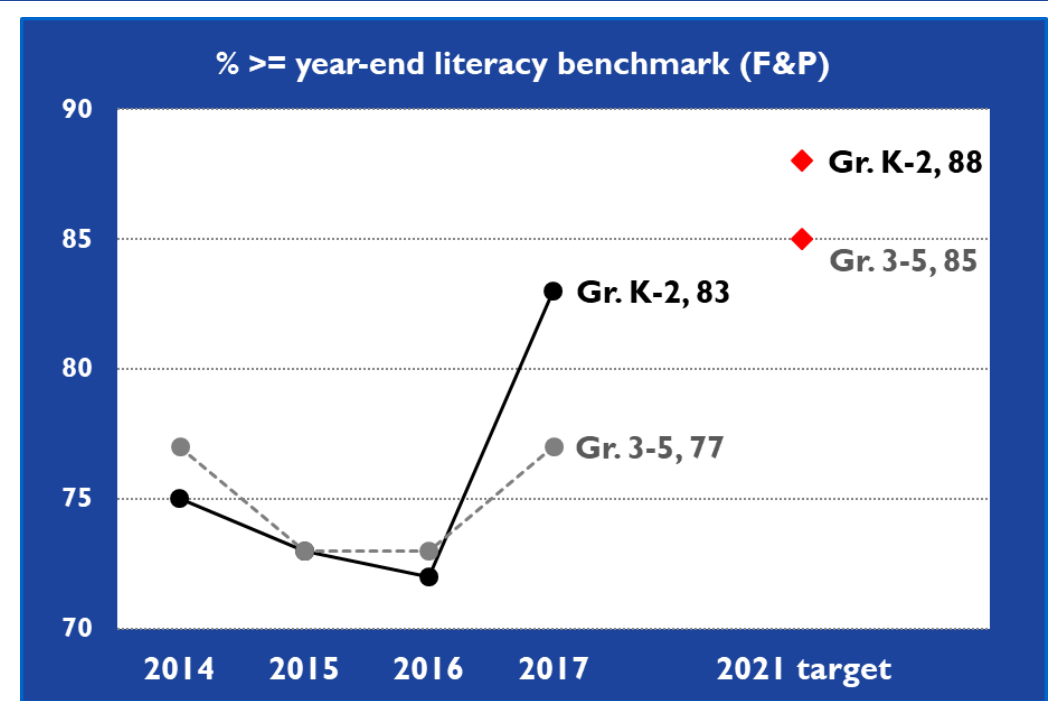

**Engage &
Communicate**

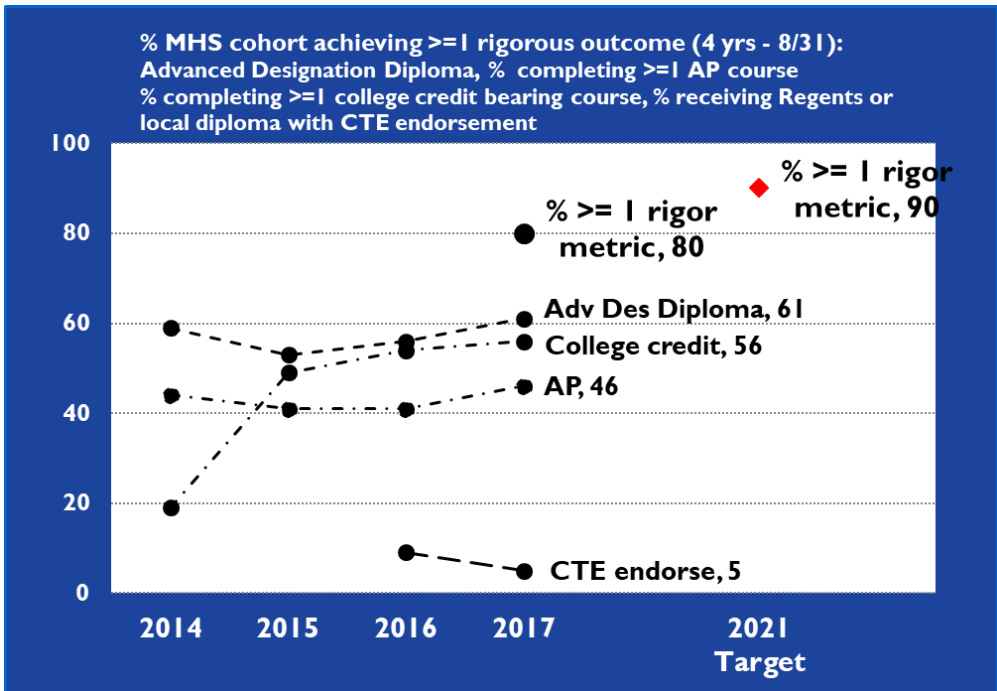

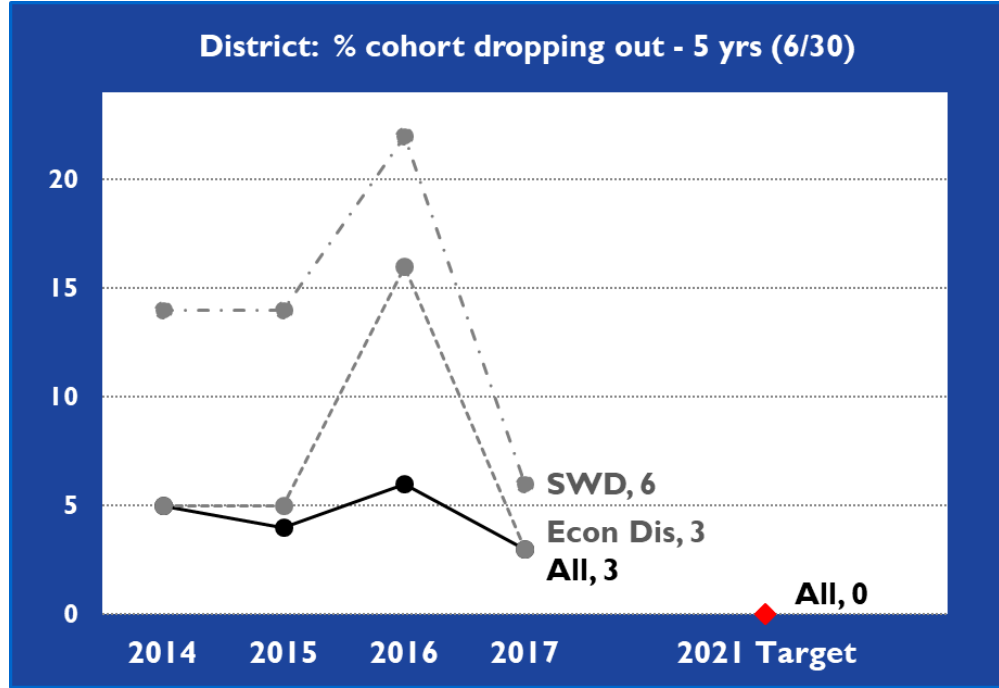

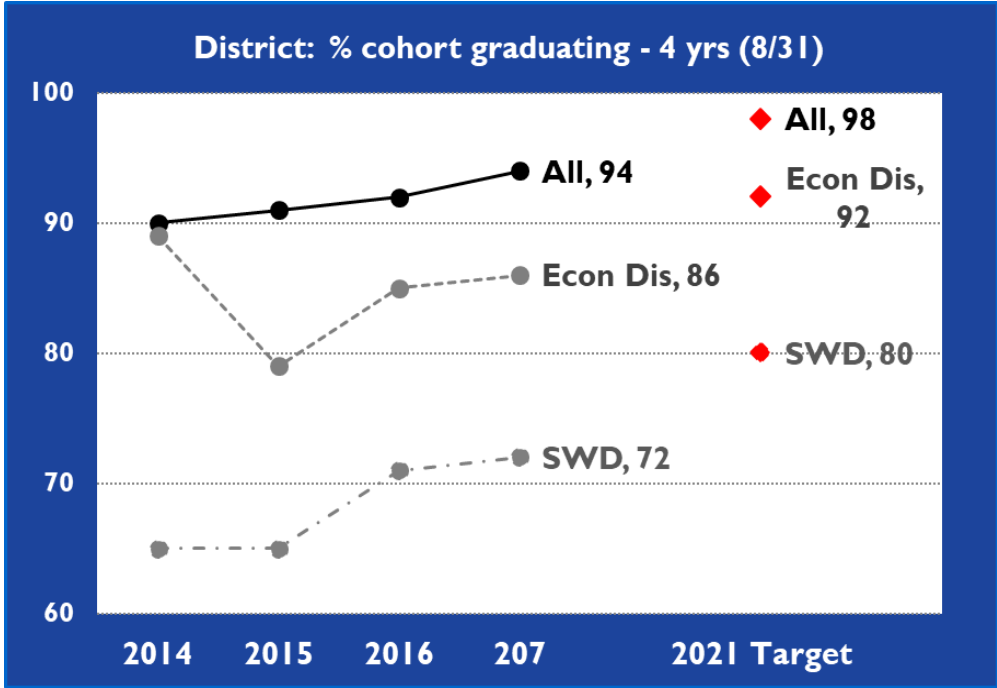

Collaborate with families and community

- Strengthen family-school communication and involvement.
- Increase Kindergarten readiness.
- Partner with organizations to provide real-world experiential learning for students.

The district team will recommend how to use the climate survey results as a strategic measure. They will then establish a baseline and set a target.

The district team will explore and recommend other ways to measure the effectiveness of our RTI program and classification process. See the appendix for our current classification rate trend.

Maine-Endwell Central School 2018 – 21 Strategic Plan
