

NOTICE TO STUDENTS, PARENTS AND STAFF REGARDING THE USE OF CAMERA SURVEILLANCE ON SCHOOL PROPERTY

For the safety of our students, staff and visitors, the School District employs camera surveillance equipment for security purposes. This equipment may or may not be monitored at any time.

Surveillance cameras will generally be utilized only in public areas where there is no “reasonable expectation of privacy.” Public areas may include school buses; building entrances; hallways; parking lots; front offices where students, employees, and parents come and go; gymnasiums during public activities; cafeterias; and supply rooms. However, it is not possible for surveillance cameras to cover all public areas of District buildings or all District activities.

District surveillance cameras will not be installed in “private” areas such as restrooms, locker rooms, changing areas, private offices (unless consent by the office owner is given), or classrooms.
